Get the Conversation Going

Here are some fun questions to ask your new friends at dinner.

AS A GROUP

What service do you go to, and where do you like to sit?

What do you do for a living?

If you could try out any occupation for a year, what would it be?

What do you do for fun?

If you could take lessons and become an expert at anything, what would it be?

What's your favorite TV program?

In what TV show would you like to be a member & what character would you be?

If you had an entire day to spend alone with your spouse, how would you like to spend it?

What is one item you know you should get rid of, but probably won't?

How did you meet your spouse?

Tell us about your marriage proposal?

Where did you go on your honeymoon?

If you could travel anywhere together, where would it be?

Look at section two together and see if any of those ideas work for the group...

Don't forget to use section 3 to get each others contact info.
